#### PLEASE NOTE:

- The statutory bond requirement for Lincoln County Collector is \$750,000.00.
- You are not required to purchase the bond to be a candidate, the requirement is to have a surety company provide an affidavit stating you meet the bonding requirements at the time you applied.
- The bonding company is not required to guarantee you will be bondable at the time of taking office.
- If elected as County Collector the county purchases the bond on your behalf.
- The county currently purchases official bonds through K. Flynn Insurance Agency.
- You may choose any surety company that is licensed to do business in the State of Missouri to request this affidavit from.

Our contact at K. Flynn Insurance Agency is prepared to take candidate applications and submit them to the surety company to have the affidavit prepared on your behalf if the surety company approves the application.

You may contact:

**AFFIDAVIT**

I have reviewed the application for a public official bond for \_\_\_\_\_, candidate for the office of County Collector of Lincoln County, Missouri. As of the date of this affidavit, we would be willing to provide a public official bond in the amount of 750,000.00 if elected, subject to there being no significant changes to their personal financial position, moral character, disclosures of financial mismanagement of a material nature for which they share responsibility, or, potentially any other unfavorable underwriting criteria the company deems relevant to the applicant's ability to be bonded, between now and March 1, 2019, the date the term of office begins.

We may also find it necessary to review the most recent 'Audit' and 'Auditors Report on Internal Control Over Financial Reporting and on Compliance and Other Matters', for deficiencies in internal controls, as part of our decision whether to provide a bond for that position.
